# STUDENT EVALUATION

The purpose of this information is to provide parents and legal guardians with evaluations of student progress and to recommend parental involvement techniques to enhance the driver education training.

Dear Parent:

This is to provide you with an evaluation of \_\_\_\_\_ who is enrolled in the driver education program. Up to four methods are used to determine evidence of successful completion and mastery in the classroom phase. The following is a summary of your son / daughter's progress. (<----please circle one)

Unit tests: \_\_\_\_\_

Written assignments: \_\_\_\_\_

Skills performance checklist: \_\_\_\_\_

Comprehensive examinations of knowledge and skills: \_\_\_\_\_

Instructor Comments: \_\_\_\_\_

Your son / daughter has received seven hours of behind-the-wheel practice driving and seven hours of observing other student drivers. He / She should have acquired the basic skills necessary in handling a motor vehicle as well as important fundamental knowledge of good driving practices. With this limited practice, he / she is not yet an experienced driver. Your continued cooperation and guidance can help develop additional competence.

Observation of his / her driving indicates that additional practice is needed on the items checked below:

- |   |   |  |
|---|---|--|
| <input type="checkbox"/> Backing the car        | <input type="checkbox"/> Angle parking                        | <input type="checkbox"/> Speed Control         |
| <input type="checkbox"/> Right turns            | <input type="checkbox"/> Parking upgrade and downgrade        | <input type="checkbox"/> Braking Technique     |
| <input type="checkbox"/> Left turns             | <input type="checkbox"/> Overtaking and passing               | <input type="checkbox"/> Situational Awareness |
| <input type="checkbox"/> Choosing correct lanes | <input type="checkbox"/> Heavy-traffic driving                | <input type="checkbox"/> Use of mirrors        |
| <input type="checkbox"/> Parallel parking       | <input type="checkbox"/> Driving under unfavorable conditions | <input type="checkbox"/> Other                 |

Instructor Comments: \_\_\_\_\_

While many safe driving skills have been practiced during the course, there has been limited time in which to develop judgment in traffic situations. You can help to develop such judgment further if you point out, as you ride with your son / daughter, traffic situations that may lead to trouble unless good judgment and defensive driving techniques are used.

When, in your opinion, your son / daughter has developed proper attitudes and sufficient skill to be allowed the use of a car, you may wish to assist him / her in making arrangements for a class C license. The completed DE-964 that is needed for your son / daughter to obtain a license is attached. When you feel your child is ready, you may take this document to DPS to arrange his / her license.

Thank you for your cooperation in helping to make this course a success.

# Impact Texas Teen Drivers (ITTD) Program

Impact Texas Teen Drivers (ITTD) was developed by the Department of Public Safety with the goal of saving lives through awareness and education. The intent of the program is meant to educate young or new drivers in effort to reduce the risk of being involved in automobile crashes, particularly those caused by distracted driving.

ITTD is a 2-hour informational video that is a prerequisite to the drive skills examination being administered by the Department or a Third Party Skills Testing (TPST) authorized school. ITTD must be viewed after you have received your DE-964, showing completion of a Teen Driver Education course.

Upon completion of the ITTD program you will receive a Certificate of Completion that must be presented prior to administering the drive skills examination. The ITTD Certificate of Completion must be dated within 90 days of the administered skills examination.

ITTD is available through a Third Party Skills Testing (TPST) authorized school or the Department's Impact Texas Teen Drivers website.

**ATTENTION:** Effective September 1, 2015, if you are taking a teen driver education course, you must complete the ITTD requirement before you will be eligible to take the driving skills exam. This requirement to complete ITTD includes individuals aged 18-24, who choose to complete a teen driver education course.

**NOTE:** ITTD does not replace the distracted driving module given in the 32 hours of driver education classroom phase. This program has been added to emphasize the ever increasing dangers of distracted driving.

## Teens:

In order to test with a Third Party Skills Testing (TPST) authorized school you must be at least 16 years of age, have held a valid learner license for a minimum of six months, completed Teen Driver Education in its entirety and the Impact Texas Teen Drivers (ITTD) course. You must present a completed DE-964 to the Third Party Skills Testing (TPST) authorized school.
